

Become Master Of Your Destiny – Chart Your Destination With Revised Edition of Glorious Leadership!

International Leadership Guru Steve Morris Releases Enhanced Revised Edition of His Professional Development Resource, Glorious Leadership!

Esteemed Leadership Guru, Steve Morris, has released a revised edition of his acclaimed Glorious Leadership! Box Set. The newly released, revised book and card set contains an additional 10 cards to the existing 28 as well as a corresponding additional section in the guide book titled, *10 Stages of Growth Model*, further enhancing the value of the resource for the reader.

Steve Morris released the first edition in 2002 to acclaim from leaders throughout the world. Glorious Leadership! is revered for its unique holistic approach to Leadership Mastery and Worklife balance as well as effective resource to diagnose professional strengths and weaknesses. Used by top tier professionals around the world including CEO's, high ranking government officials and even royalty Glorious Leadership! is a highly effective and innovative way to further enhance your role as a leader.

Said Steve Morris, *“The 10 Stages of Growth cards are a unique feature of the revised edition which allows the user to reflect on which stage of the growth cycle they are in professionally. It is an essential tool for navigating professional growth and allowing the user to become master and commander of their destination. I have seen it have tremendous success with all my clients from heads of Global Multinationals down to middle managers in the Government Sector”*.

Steve Morris is a globally recognized leadership consultant, personal development coach, corporate workshop leader, international speaker, and author of **Glorious Leadership! A Holistic Approach to Achieving Mastery and Worklife Balance** amongst other works. Regarded as a pre-eminent authority on leadership in Asia, Morris founded Steve Morris Associates, International Leadership Consultants, in 1988, where he has spent the past two decades assimilating aspects of diverse Asian cultures into his practice.

Glorious Leadership! sells for a retail price of USD\$23.95 and can be found in retail bookstores as well as online sites such as Amazon. Personally signed copies may be ordered at www.gloriousleadership.com
